**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love my ISP, they provide great service at very competitive prices. I get better bandwidth than I could get from any of the large ISPs in my area.

I have FIBER today, with blazing fast speeds, which I need for my work. I formerly had DSL over copper.

I now get a vastly superior internet service and telephone service for less than the price I used to pay for both.
